building in the first in front the Red Palace. The present building in which the Sanskrit College is located will have to be demolished and another building will have to be selected for the College. Some private buildings also will have to be acquired. It is not known whether the present estimate includes the cost of the acquisition & hence it may be required that provision cost & acquisition noted in the margin.

37 I am still doubtful that whether the shifting the Maternity from the present place. It can be easily converted into a hospital by the construction of two wards and an operation theatre for which there is ample room.

38 The Municipality may be prevailed upon to file the land among the present proposal for Town Improvement Committee & an operation theatre.

Office of the Senior Surgeon, Mysore Govt.

Dated Bangalore, 22nd March 1919.

No. G.C. 500-25-7-18. 13

Dear Sir,

In this office letter No.500, dated 13th March 1918, sanction of Government in the administrative department was applied for the preliminary plans and estimates amounting to Rs.7,75,000/- for the construction of new maternity in the Fort, the cost being spread over 2 or three years. The plan had been called for by Government so far back as September '15 (Med. File 123-14-2) and the plans were received from the Supg Engineer in January 1918 and were returned to that officer, duly countersigned in this office, with a request that further action might be taken. Subsequently they were received from the Chief Engineer with a request that the sanction of Govt. in the administrative department should be obtained to enable him to have the details worked up. As this is budget time, early sanction of Government will enable the Chief Engineer to make necessary provision for the work in his departmental budget.

I request you will kindly have the matter looked into and early orders passed or arrangements made for the necessary provision in the P.W.Budget.

Yours sincerely,

C. Siva Rao

Personal Assistant,
For Senior Surgeon.

P. Mahadevaiya Esq., BA, BL,

Assistant Secretary to Government,

Chief Secretariat. Bangalore.

Submitted

The D.O may, if satisfactory, be sent to the Chief Engineer's office for making the above provision.

~~Deptt~~, Bangalore.

Sir,

With reference to your letter No.G.1170, dated 15th July 1919, I have the honor to state that the plans and rough estimates amounting to 7¾ lakhs, for buildings for the Maternity Hospital, to accommodate about 100 patients, residential quarters for the whole staff and for the pupil midwives and nurses to be trained, were designed to meet the requi-rements ~~of the next~~ for several years to come and to be in keeping with the buildings of the adjoining hospitals (the Victoria and the Minto Ophthalmic Hospitals). However, the cost may be reduced to about a half by limiting the accommodation ~~for~~ about 50 beds for the present and quarters for such members of the establishment as may absolutely have to be provided with quarters in the premises and the cost may also be spread over a period of three or four years, by providing about Rs.75,000/- every year for the work.

I have the honor to be,

Sir,

Your most obedient servant,

Sir,

With reference to your letter No.G.1170, dated 15th July 1919 and in continuation of my letter No.G.C.500-9, dated 3rd March 1920, I have the honor to forward herewith for the information of Government a copy of my letter No.G.C.500-13 of this date, addressed to the Chief Engineer of Mysore, which shows the stage in which the preparation of the plan and estimates for the new Maternity Hospital, Bangalore, is. Revised plans have been promised by the Superintending Enginnor, Eastern Circle and will be duly submitted to Government on their receipt in this office, in consultation with the Chief Engineer, as desired.

I have the honor to be,

Sir,

Your most obedient servant,

T Arumugum

Senior Surgeon.

From

Rajakarya Pravina

Rao Bahadur T. V. Arumugum Mudaliar, Esq., M. B., C. M.,

Senior Surgeon with the Government of

H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Engineer of Mysore,

Bangalore.

Sir,

With reference to your letter No.B.11751, dated 5th May 1920, I have the honor to inform you that as ordered by Government in the Chief Secretary's letter No.C.1170, dated 15th July 1919, the Lady Medical Officer of the Maternity Hospital and the Superintending Engineer, Eastern Circle met at my office this day and we discussed the distribution of the several wards and out houses and residential quarters as shown in the rough plan received with your letter under reference. The Architectural Assistant who was also present, took notes of certain important suggestions made by the Lady Medical Officer and myself and has promised to get up revised plans. The plans received from you have been handed over to the Architectural Assistant of the Superintending Engineer, Eastern Circle.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) T. V. Arumugum

Senior Surgeon.

No. G.C.73-21 Office of the Senior Surgeon, Mysore Govt.

Encls. 3 plans.
1 site plan (blue)
1 Rough estimate.

Dated Bangalore, 16th DECEMBER 1920.

From

Rajakaiya Pravina Rao Bahadur
Dr. H. B. Mylvaganam, F.R.C.S.(ENG).
T. V. Arumugam Mudaliar, Esq., M.B., C.M.,

Offg. Senior Surgeon with the Government of
H. H. the Maharaja of Mysore, Bangalore.

To

Secretary to the Government of
H. H. the Maharaja of Mysore,
Revenue Department, Bangalore.

Sir,

In continuation of the correspondence ending with this office letter No.G.C.73 of 20-21, dated 16th August 1920, I have the honour to forward herewith, as called for in your office letter No.G.1170-Med, dated 15th July 1919, revised plans and estimates for the new Maternity buildings proposed to be constructed in the Fort, received with the Chief Engineer's letter No.1678, dated 12th August 1920, and to state as follows:-

2. In accordance with the directions contained in your office letter above referred to, the plans prepared by the Superintending Engineer, were considered by the Sub Committee, consisting of that officer, Dr. Govindarajalu, and the retired Senior Surgeon, which met in the Senior Surgeon's office on the 13th May 1920, and the revised plans herewith submitted are prepared in accordance with the notes and suggestions made by the Sub-Committee.

3. Mr. C.A. Nanjappa, the Offg. Senior Surgeon, who received the revised plans wrote for the plans of the Madras Maternity buildings with a view to find out if the plans prepared here could be improved in any way. The Madras

33

plans which were since received, were examined by me and found to be too elaborate and unsuited for our requirements and were therefore returned to the Superintending Engineer, V Circle, Madras, from whom they had been received.

4. The Hospital is designed to accommodate 40 beds in the General wards and 16 beds in special wards or 56 beds in all, with provision for future extensions. Residential quarters are also provided for the Resident Lady Medical Officer, the Matron, Assistant Matron, Head Nurse, 12 pupil midwives (6 in each block), and ward attendants and conservancy staff and the whole estimate roughly amounts to Rs.3,85,000/- against the original, estimate of Rs.7,75,000/-.

5. The plans are generally acceptable and I request that Government in the administrative Department may be pleased to accord early sanction to the same and request the Chief Engineer to have detailed plans and estimates prepared at an early date and also to make provision, at least to the extent of Rs.1,00,000/- for this work in the next Public Works Budget, so that this long pending work may at least be commenced during the next year.

6. Proceedings may also be ordered to be taken for the acquisition of all private property existing in the selected area and to have the present structures demolished to make room for the proposed new buildings.

I have the honour to be,

Sir,

Your most obedient servant,

A.B. [illegible]

SSR-BVA.

OFFG. SENIOR SURGEON.

To

B. Ramaswamiya,
~~C. Aravamudu Iyengar~~, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, BANGALORE.

Sir,

Referring to your letter No.G.13097-Med. of the 10th January 1921, I have the honour to forward herewith the enclosed copy of the list, received from the President of the City Municipality, Bangalore, showing the properties to be acquired, with the probable cost of acquisition noted against each. As regards para 2 of your letter, I beg to state that plans and estimates amounting to Rs. 17700/-, for the construction of an Operation Theatre, a ward etc, for the present Maternity received from the Executive Engineer, have been countersigned and returned to him as desired by him, for his taking further action in his Department. I may add that the necessity for an Operation Theatre at the present Maternity which has a highly qualified Surgeon, is pressing and need not be put off on account of the scheme for a new and up-to-date Maternity Building, in the Fort, which may probably take 8 or 10 years to come into existence.

I have the honour to be,
Sir,
Your most obedient servant,

H B. Mylvaganam

No. G.C. 225-6

Senior Surgeon's Office, M.G.,

Bangalore, 28th April 1921.

29 Med 17-5-21

From

The Senior Surgeon in Mysore,

BANGALORE.

To

The Secretary to the Govt. of Mysore,

Revenue Department,

BANGALORE.

Sir,

Referring to your letter No.G.18859/Med. of the 7th instant, calling for plans and estimates for the construction of a New Maternity Hospital at Bangalore, I have the honour to state that, until the properties referred to, in the list sent with my letter No.G.C.225-4 dated, 16th February 1921, are acquired, it is not possible to prepare the plans and estimates in the absence of a site, as not only the main Hospital but also quarters for the Superintendent, Matron, Nurses, Servants and so on, will have to be included. I request, therefore, that you will be so good as to first obtain the sanction of Government for acquiring the properties referred to at an early date and when that is done and when funds are available, the plans and estimates could be prepared in no time. Owing to the fluctuating market rates it is not possible to draw an estimate for a building that is to be built some years hence.

2. The plans and estimates for Rs.17,780/- for the construction of an Operation Theatre and a Ward &c., for the present Maternity, sent to the Superintending Engineer for sanction, have since been returned to

the Executive Engineer, unsanctioned by the Chief Engineer, for ~~want~~ want of funds. As it seems unlikely that funds will be available for a New Maternity for some years to come, I beg to request that, at least an Operation Theatre and a ward be provided for the present Maternity Hospital, as it is not possible to do any high class surgical work under the existing conditions. We have engaged the services of a highly qualified -- Lady Doctor on a high salary, who is keen on her work and is anxious to do surgical work. If facilities are not afforded, she will, in due course, degenerate into an ordinary Midwife, like her predecessors.

3. It is my desire that all gynaecological operations should be performed at the Maternity Hospital, as is done elsewhere, instead of at the Victoria Hospital. When we have qualified officers for the work, we should give them facilities to carry on the work with pleasure.

I have the honour to be,

Sir,

Your most obedient servant,

H.B. Montgomery
